Highlights

3-way adjustable ear shells
Enjoy a comfortable fit and experience better bass performance thanks to the three-way adjustable ear shells that fit naturally around your ears.

Full-size design
The full-size ear shells of these Philips headphones not only cover your whole ear for better sound quality, but also provide space for a larger, higher-performance driver.

40 mm speaker driver
The 40 mm speaker driver is made of a composite Mylar material for a highly sensitive yet powerful element that delivers sound without audible distortion.

FM Wireless transmission
With high-frequency FM wireless transmission, which can even pass through walls, you can even listen to your music when you're in another room.

Convenient automatic tuning
Convenient automatic tuning ensures the best reception

Pre-formed soft ear-cushions
Pre-formed soft ear-cushions ensure a comfortable fit

Simple, convenient charging
Simple, convenient charging with a wireless dock
